Classic Vehicle Insurance

At Footman James we've been insuring classic and specialist vehicles for over 35 years. Our comprehensive cover has been designed with the classic owner in mind, with shows and events cover as standard and specialist rates for club members. Also, with FJ+ you can tailor your policy to suit your specific requirements by choosing from a range of add-ons. These include Breakdown Cover provided by the RAC, Agreed Value, Nil Deduction Salvage Retention and more.

Our knowledgeable insurance advisors are just a call away to talk you through your needs and policy options - you can even request that we call you back on a convenient day and time for you. Alternatively, you can visit our website to handle everything from purchasing a policy through our easy-to-use Quote & Buy tool to viewing your policy documents any time.

Household Insurance

We don't just offer car insurance; we are just as at home arranging cover for your household buildings and contents; from fine art collections to family bicycles, contents insurance will protect your most prized possessions from loss, theft and damage.

Flex Insurance

At Footman James we try and find the best solution to suit your individual needs, for example insuring your modern vehicle and your spouse's on the same policy with your classic cars. We can even combine classic and modern vehicles on one single policy with no upper-value limit.
